Sir.

RECEIVED
SEP 16 2002
TOLSON HALL ROOM

On Jan. 14, 2002, I filed an assignment from the inventor to Autosplice, Inc. and a document revoking all prior powers of attorney in connection with this application and appointing Jack Oisher, Reg. No. 17,317, the undersigned, as its new attorney, and on March 5, 2002, I filed a New Executed Declaration in response to a Notice to File Missing Parts sent to my predecessor attorney Mr. Jester instead of me. I never received an acknowledgement that these papers were filed or that my Power has been accepted. I placed 3 telephone calls to your division and faxed already twice copies of the above papers after I was requested to do so, and never got a reply or acknowledgment.

Could somebody please take pity on me and respond to all these papers. I cannot believe that they all were lost.
